The resource ☒ contributes/ ☐ does not contribute to the historic significance of this

historic district in: ☒ Location ☒ Design ☒ Setting ☐ Materials

☐ Workmanship ☐ Feeling ☐ Association

Justification for decision: (Use continuation sheet if necessary and attach map)

The simple, marble-stopped, brick rowhouse is typical of this residential neighborhood constructed in the latter part of the 19thc. The Italianate cornice provides decorative relief for the otherwise severe facade. The Upton area is important as one of Baltimore's earliest black middle-class neighborhoods and features well-preserved architectural details.

Documentation on the property is presented in: \_\_\_\_\_
